## CSDR Welcomes New Dean of Students

Mr. Harold Lee Kund

Coming to us from the Illinois School for the Deaf in Jacksonville, Illinois, is our new Dean of Students, Mr. Harold L. Kund. Mr. Kund is married, and with his wife, Pam, have two children, Greg and Susan, who are eight and seven years of age respectively. Mr. and Mrs. Kund will welcome everyone who wish to visit them in their newly-purchased home at 2807 Pinkerton Place here in Riverside.

In addition to bringing his family West, Mr. Kund also brings a variety of training and experience to share with us at CSDR. Mr. Kund's initial introduction to deaf children was via a student aide experience at Illinois School for the Deaf in 1961. Taking time out to be married, and to complete his B.A. degree, Mr. Kund returned to Illinois School for the Deaf in 1965 to assume a full-time position as a recreation worker. The fall of 1966 found the Kund family in Urbana, Illinois, as Mr. Kund attended the University of Illinois Graduate College. A Master of Science degree in Recreation for the Handicapped

was awarded Mr. Kund in August of 1967. He then returned again to Illinois School for the Deaf, and assumed the position of Assistant Dean of Students, a position held until he was appointed Dean of Students, a position held until he was appointed Dean of Students here at CSDR.

Mr. Kund's work experiences cover a number of areas, with particular emphasis being placed on group work, and guidance and counseling of individual deaf students. Staff development is given high priority by Mr. Kund. He personally taught manual communication classes at Illinois School for the Deaf for a number of years. As well as working with the deaf, Mr. Kund has also involved himself in planning, organizing, and conducting programs for emotionally disturbed and socially disadvantaged youth.

We at CSDR wish Mr. Kund and his family a hearty welcome to Southern California, and hope that they will come to enjoy CSDR as much as we do.

## Special Projects

Mr. David Strahan

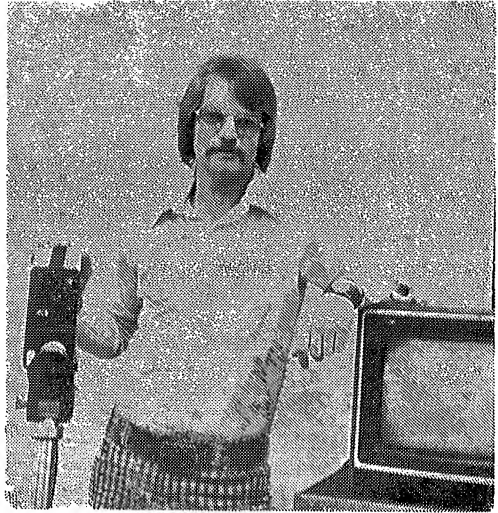

### Mr. David Strahan

Mr. Strahan was born and raised in Southern New Jersey. He attended Rutgers University and Transylvania College. He received his B.S. degree in Mass Media and Communications from Temple University in Philadelphia, Pa. He then moved to California where he worked as a production assistant with the NBC television network. Following that, he worked for the executive producer of the Bob Hope Specials. Moving back East, Mr. Strahan taught courses in Media at Trenton State College, Trenton, N.J. He received his M.A.T. degree in Special Education-Deaf Emphasis from Trenton State College. Mr. Strahan completed his teacher training at the Marie H. Katzenbach School for the Deaf in New Jersey.

Mr. Strahan comes to CSDR as our new educational television programmer. He will be working with the new closed circuit television system. The system includes a TV studio with color TV cameras, a control room, several videotape machines, and an electronic captioning device. When installed, Mr. Strahan has said that our TV system will be one of the best in the country. He hopes to use the closed circuit TV to help the students start a news program for the campus and to record plays and other events for the students to watch and enjoy.

### Mr. Rodney Brawley

Mr. Brawley is the coordinator of our new Title III project, Multi-Media Instruction in Total Communication. The objective

Mr. Rodney Brawley

of this project is to provide instruction in total communication to hearing parents of young deaf children. A media package will be developed for use in the home with motion pictures as the primary source of instruction.

Rod graduated from California State University, Chico in 1970, earning his B.A. in Anthropology. After a year of graduate work with emphasis in archaeology, he transferred to California State University, Fresno to begin training as a teacher of the the deaf. In the fall of 1972 he was asked to help establish an experimental Title VI program for the Merced County Department of Education. In conjunction with home visitations and parent guidance, he taught a class for deaf and severely hard of hearing infants. This experience prompted him to prepare a project for his M.A. at Fresno. Entitled **Approaching Deafness: A Guide for Parents**, this project was designed to assist parents through the first three years of their child's life. In simplified terms, **Approaching Deafness** touches on the processes parents may go through in dealing with their child's deafness, some aspects of total communication, and includes a sign language section devoted entirely to the world of a young child.

Rod is located in the resource room of the Elementary School and welcomes anyone wanting to know more about his efforts at CSDR.

## NEW TEACHERS

### Regular Program

#### Mrs. Carol Gambill

After graduating from the University of Tennessee, Carol Gambill taught at the Iowa School for the Deaf at the primary and elementary levels for two years. Seeing a need for a preschool for young deaf children between the ages of two and five, she and another teacher set out to start one.

A local school system sponsored them in the procuring of a Federal grant under Step Title III for funding the program. The "First Step Preschool for the Hearing Impaired" became a reality in October of '71. Mrs. Gambill taught at the preschool until June of '74 when her husband was transferred to California. During this time, much of her free time was spent in curriculum development and dissemination. In January of '74, because of her work with the preschool, she was nominated for the Diana Award which is given for outstanding service to the handicapped.

The Gambills are living in Corona and have three boys aged 2, 4, and 6.

#### Miss Joan Murphy

Miss Murphy is teaching English and social studies in the High School Department. Miss Murphy received her B.A. in English from the University of California, Berkeley, and her M.A. in Special Education for the Deaf from California State University, Northridge. She did her practice teaching here at CSDR and at Taft Aurally Handicapped School last spring. She will also be co-sponsor for the cheerleaders and is looking forward to an exciting year at CSDR.

#### Mr. Dean Russell

Mr. Russell is a native of Los Angeles, California. He attended a Los Angeles Trade Technical School and UCLA. He worked for Parks and Recreation before teaching driver training in the Los Angeles school system. He has many hobbies including hunting, fishing, sports and music. Mr. Russell teaches driver education and driver training.

#### Miss Susan Smith

Miss Smith is teaching world culture and government in the High School Department. She received her B.A. in Speech-Com-

munication and her M.A. in Deaf Education, both from California State University, Northridge. She did her practice teaching here at CSDR and at Taft Aurally Handicapped School last spring. She taught kindergarten this summer at Taft Aurally Handicapped School and is now looking forward to a wonderful year in our High School.

#### Mrs. Audrey Strahan

Mrs. Strahan comes to CSDR from the Marie H. Katzenbach School for the Deaf in New Jersey, where she was an instructor in the elementary school. She received her B.A. degree in Elementary Education and her training to teach the deaf from Trenton State College. She has recently completed her required course work for her Master's degree in Special Education. Mrs. Strahan has worked as curriculum consultant to a world-wide Adult Education program located in New York City. For the last two years, Mrs. Strahan has been chairman of the Council for Exceptional Children. She is presently teaching in the Elementary School.

#### Mr. Charles Wright

Mr. Wright was born in Utah. He was in the Navy for four years and has worked for the post office and as a television repairman for RCA Service Company. He is married and has two sons. He studied Industrial Arts at California State at Long Beach. Mr. Wright teaches general electricity and electronics.

## DMHU

#### Miss Alyce Francis

Miss Francis was born in Fresno and received her teacher training at California State University in Fresno. For a year and a half she served as Itinerant teacher of the deaf for the Merced County Schools Special Education program.

Her family consists of her mother, father and two sisters, one of which is her twin. Her interests include piano, macrame, plants and bellydancing.

### **Miss Caroline Harlowe**

Miss Harlowe is new, not only to California School for the Deaf, Riverside, but to California. After being raised in New York and Kentucky, she attended the University of Wisconsin, Madison, where she received a B.A. degree in English. She then returned to college and fulfilled the requirements for certification for teaching the mentally retarded. Caroline (Carlie) has taught both mentally retarded adults and children. This past summer she completed her M.S. degree at the University of Wisconsin, Milwaukee where she also had course work in the education of the deaf.

Her interests range from photography to needlepoint. Her dog and two cats are of special interest to her.

### **Miss Linda Horschman**

Miss Horschman was born and raised in Fresno, where her parents and sister now reside. She also has a brother and sister-in-law living in Oxnard. Following her graduation from high school in Fresno, she attended Fresno City College receiving an A.A. degree. She continued her education at the California State University, Fresno where she received a B.A. degree in January of 1973. She then worked for Merced County as an itinerant teacher for the hearing impaired. She was concurrently taking post-graduate courses at CSUF until June of 1973 when she received an M.A. degree in the Education of the Deaf.

Miss Horschman enjoys most outdoor sports, including water and snow skiing, tennis and swimming. She also enjoys traveling, people, animals and plants.

### **Mr. Mitchell I. Kurs**

Mr. Kurs was born and raised in New York City. He attended the Lexington School for Deaf and graduated from the New York School for the Deaf. He then spent six years at Gallaudet College where he obtained his B.A. degree in Mathematics and an M.A. degree in Secondary Level Education of the Hearing Impaired. At that time he was a recipient of a Daniel T. Cloud Memorial award. He did his internship at the National Technical Institute for the Deaf and the Model Secondary School for the Deaf, for ten weeks and eight weeks, respectively. He taught the incoming students in mathematics at Gallaudet College last summer. This is his

first experience teaching deaf multi-handicapped children.

His interests are as follows: art appreciation, reading, photography, travel, tennis, skiing, golf, horseback riding and stock investing.

Mr. Kurs and his wife Joan are residing in Riverside.

### **Miss Nancy Norton**

Miss Norton comes to CSDR from Denver, Colorado. She is the third in a family of five. She has an older brother, a twin sister and a younger brother and sister.

Miss Norton comes to CSDR from University of Northern Colorado in Deaf Education with a minor in Preschool Education. She did her student teaching in Omaha, Nebraska.

Miss Norton is interested in skiing, sewing and reading. She expects that she will be including beach activities in her interests.

### **Miss Chris Olsen**

Miss Olsen, a native San Franciscan, received her B.A. and training in Mental Retardation at the University of California, Riverside. She attended Lewis and Clark College in Portland, Oregon where she received an M.A. degree in Deaf Education. Chris' interests are in woodworking, art and music.

### **Miss Katy Ray**

Miss Ray was born in Jacksonville, Florida and lived there for five years, then moved, with her family, to Livermore, California. She attended both elementary and high school in Livermore. Her family still resides there.

Miss Ray attended the California State University at Chico for two and one-half years. She then transferred to California State University at Fresno and began her new major in Education of the Deaf. In June of 1973, she received a B.A. degree in Education of the Deaf and in June of 1974 she was granted her M.A. degree in that same area.

During this past summer, she taught at California State University, Fresno, for the first summer session. She was also contracted by Fresno Community Hospital as

a speech and hearing consultant, where she did clinical therapy with deaf-blind children.

Miss Ray enjoys all outdoor activities, especially swimming and boating. She also enjoys traveling very much.

#### **Miss Carolyn Stattner**

Miss Stattner comes to Southern California from Baltimore, Maryland. She holds a Bachelor's Degree in General Speech and Communication from the University of Maryland. She received her training in Education of the Deaf at Western Maryland College. There she was vice-president and co-founder of a new organization, Students in Training for the Education of the Deaf. She was the recipient of a federal grant for graduate study at Western Maryland College. She is particularly interested in pottery-making and photography.

#### **Mr. Ron Stern**

Mr. Stern was born in Philadelphia of deaf parents. He soon had a deaf sister. They both graduated from the Lexington School for the Deaf after moving to New York. At Gallaudet College he lettered in baseball, football, tennis and basketball. He completed his work for a B.A. in Sociology in May, 1973 at Gallaudet. He received his M.A. in Special Education from California State University, Northridge. He practice taught at Selaco and at CSDR (Junior High School with Mrs. Bradshaw).

With his strong background and interest in sports and education, he hopes to contribute to CSDR's winning ways both in the classroom and on the athletic fields. Besides being a classroom teacher he is an assistant coach for Seymour Bernstein's JV football team.

#### **Mr. Larry Whitson**

Mr. Whitson was raised in Tacoma, Washington. He received a B.A. in Sociology from the University of Washington in Seattle. He received an M.A. in Education this June from Lewis and Clark College, Portland, Oregon.

Having spent his entire life in the Pacific Northwest, he has grown to love the mountains. He enjoys downhill skiing, backpacking and camping. He has only been in Riverside a few weeks, but has been able to find a lot of beauty in the desert and hopes to enjoy that in the coming years.

## **NEW COUNSELORS**

### **Regular Program**

#### **Mr. Stephen Fishler**

Mr. Fishler lived in Colorado and Alaska before becoming a resident of the city of Riverside. Last year he worked as a student aid in the Deaf Multi-Handicapped Unit. In addition to being a counselor at CSDR, Mr. Fishler attends the University of California at Riverside. He hopes to earn a degree in Sociology this spring from that institution. When free hours avail themselves, Mr. Fishler and his wife pursue various forms of recreation including athletics, fishing and the cinema. He is presently working in Rubidoux I with Elementary and Junior High School boys.

#### **Mrs. Carolyn Hansen**

Mrs. Carolyn Hansen was born in McKeesport, Pennsylvania. She attended the University of California, Riverside for four years, majoring in Urban Studies. In March of 1974, she received her B.A. degree. While in college she worked at the UCR Botanical Gardens and here at CSDR for two years as a student aid. She is a Red Cross water safety instructor and has worked summers as a lifeguard and swimming instructor. She has had experience as a camp counselor and working with the physically handicapped.

#### **Mrs. Juanita Johnson**

Mrs. Juanita Johnson was born in East Orange, New Jersey. She attended Compton College, Riverside City College, Pepperdine College and San Fernando Valley State College.

She has worked as a Head Start teacher for the City of Compton, and as a Nursery School Director for Riverside City Parks and Recreation. She is married and has two sons ages three and six. Her special interests are sewing, swimming, cooking, camping and instructing students in health and grooming. Mrs. Johnson is working in Rubidoux III with Elementary and Junior High School girls.

### **Mr. Steven Owen**

Mr. Steven Owen was born in Salina, Kansas in 1949 and has resided in the Riverside area for 24 years. He attended Riverside City College and the University of California at Santa Barbara. After working in Denver, Colorado for two years, he enrolled at the University of California and graduated with a B.S. degree in Psychology. Mr. Owen plans to work on a M.A. degree in Psychology at San Bernardino State College. He is working in Pachappa I with Elementary School boys.

### **Mrs. Ellen Tortes**

Ellen Tortes attended Cal Poly, Pomona and majored in education and mental health. She participated in a program sponsored by Pacific State Hospital, at the completion of which she became a licensed psychiatric technician. She worked in this field for eight years; for the past two years she has been working with the deaf-blind. Her husband is a police officer for the Riverside Police Department. Mr. and Mrs. Tortes reside in Rubidoux with their two children; Erica, 8 and Cory, 11.

Mrs. Tortes would eventually like to go back to school and become a registered nurse in the field of psychiatry. She is presently working in Pachappa I with Elementary School boys.

### **DMHU**

### **Mr. Daniel Beaver**

Mr. Beaver spent the first two years of his college days at Washington State University. After receiving a scholarship, he went to study in Germany for one year. The following year, Dan travelled in Latin America before returning to the States. Upon his return, he finished his B.A. in German at UCR.

While he was attending UCR, Dan worked at CSDR as a student aide in the Deaf Multi-Handicapped Unit. We are pleased that Dan has decided to continue working with our children as a counselor.

### **Mrs. Virginia Malzkuhn**

Mrs. Virginia Anne (Weiner) Malzkuhn of Monterey, is working with 9-11 year old boys in Whitney I in the Deaf Multi-Handicapped Unit. She received her high school education at the California School for the Deaf at Berkeley in 1969. She went to Gallaudet College, earning her B.A. in Sociology-Social Work in December, 1973.

Virginia gained experience and insight from her volunteer work as teacher aide and substitute at Monterey County Special Education Department during the spring semester of this year. During her after-work hours, she made wedding preparations for June 22, 1974. Her lucky husband, Brian Malzkuhn, is on the faculty of the High School.

Her hobbies are interior decorating and macrame. She also enjoys traveling, swimming, and reading.

## Booker Coffee Retires

**Booker T. Coffee**

A reception was held on the afternoon of October 29 at the California School for the Deaf to honor Booker T. Coffee who retired October 30 after serving as groundsman and Supervising Groundsman for the past twenty-one years at CSDR.

Booker T. Coffee was born in Frankfort, Kansas, of a large family consisting of five brothers and two sisters. He attended Kansas schools. He received varsity letters in football and basketball and served as catcher on the baseball team at Frankfort High School, from which he graduated in 1930. In Kansas the Coffees raised wheat, oats and other grain crops on their farm.

In 1938, as a young man, Booker struck out on his own and moved from Kansas to South Dakota. He entered the U.S. Army in 1942, where he served as a Signal Corps Technical Sergeant for three and one half years.

After the war, Mr. Coffee returned to South Dakota where he worked on government dam construction projects. In 1947 a wartime romance evolved and he married Eunice Callender, whom he had met in California during his military service, and

they took up residence in South Dakota. In a short time, due to her parents failing health, the Coffees moved from South Dakota to California. Booker worked in Bullock's store in Pasadena during the day, and at night he worked for the City of Pasadena, watering the municipal golf course.

The open country was still in his blood, so they purchased a small "California acre ranch" and moved to San Bernardino County. One of his neighbors, Mr. Blanchette, the janitor foreman at the newly constructed School for the Deaf in Riverside, informed Mr. Coffee of an opening at that school for a groundsman. On March 3, 1953 he was hired as groundsman, but since there were no planted areas available, Mr. Coffee served as watchman and jack-of-all trades, performing "other duties as required." He then passed the examination for flower gardener, and was appointed to that position at the school. Later he passed the examination for Supervising Groundsman, and was appointed to that position.

Booker Coffee has been very active in community affairs. Although the Coffees have no children of their own, Booker has taken an active part in the operation of schools. He served as a member of the Board of School Trustees for the Mill School District in San Bernardino from 1953-56 and was a charter member of the Civic League. Other civic activities include membership of the City Beautiful Planning Committee in Riverside; chairman of the Vandalism Committee, and chairman of the School Bond Override. The Riverside Urban League had its inception in Mr. Coffee's home, and Booker served as labor chairman in this organization. Mrs. Coffee also played a very active and important role in getting the Urban League under way. Participating in his church activities, Booker was vice-president and president of Methodist Men. In recognition of his outstanding contributions to the San Bernardino schools, Mr. Coffee was awarded a life membership in the P.T.A.

At the California School for the Deaf, Mr. Coffee served as Membership Chairman of Chapter 117 of the CSEA. Because of his outstanding work for the charter, he was presented with a "Certificate of Appreciation" in September 1974.

# Vocational Palms

## Work Experience

On the morning of September 30, 1974, four of our High School seniors began part-time work off campus. These students are a part of the Work Experience Program which provides selected seniors the opportunity to work on off campus jobs as part of their vocational training. Work experience jobs are assigned on the basis of the student's past vocational record.

Before students begin work, they meet with Mr. Peterson for orientation and vocational guidance. Proper dress, attitudes, and work habits are explained and discussed. Upon completion of orientation, students spend six weeks on the job. Each morning at 8:05 the students leave the campus for work. They return to CSDR at 10:20.

For the first quarter, Rafael Barajas and Precilla Fuentes are working at Albertson's Food Center. Rafael is working as a baker assistant and Precilla is helping wrap and price bakery goods. Merle Miller is working at the Social Security office as a teletype operator. Joe Robertson is working as a horticulture assistant at a local nursery. We all wish them success with work experience.

## The County Fair

The horticulture classes went to the L.A. county fair in Pomona to see floral arrangements, table decorations, and Bonsai plants. The students saw many ideas to help them make projects for the Indio Date Festival in February. Mr. Robert Lamp, the man in charge of the flower and garden building at the fair, gave many of the flowers to the school when the fair closed. Each student made an arrangement and presented it to his favorite teacher or counselor. CSDR was in bloom that day. The students are now working with miniature and full sized dry arrangements that will be on display during the holidays.

## Equal Rights in Homemaking

Freshman boys have once again won the battle for equal rights with the girls and are enjoying a bachelor's survival class

this semester. The boys will be studying how to spend some of their money in the future as well as selecting and preparing foods for good meals.

The boys will soon be cooking chocolate chip cookies. Maybe you would like to try them, too. Here is the recipe:

## Surprise Chocolate Chip Cookies

- 1½ cups biscuit mix
- ¼ cup liquid margarine
- ½ cup brown sugar
- 1 egg
- 1/3 cup milk
- ½ cup chocolate chips
- ½ cup peanuts

Combine biscuit mix, liquid margarine, sugar, egg, and milk and mix well. Add chocolate chips and nuts and drop by spoon onto a greased cookie sheet. Bake at 350 degrees for 10 minutes.

## Business Education

We have a new title this year! We have changed from Business Arts to Business Education.

All the first-year students are busy learning the keyboard while second-year students have finished a review and are busy working on centering and letters.

We have been enjoying the new addressograph that was purchased for us last year. We just finished making all the address changes for our students and have addressed post cards to all the parents informing them of the Veteran's Day holiday. We also address the **California Palms** on this machine.

Some of the students have started a unit on filing and are learning many new words.

Rychelle Barker, Susan Boudreau, Leslie Greer, and Merle Miller are working on our new NCR posting machine. Debbie Curlée is working on an individual practice set that includes letters, an itinerary, invoices, and many other simulated office problems.

## Some Views of Our School Day

1. Elementary School classes begin the day with the Pledge to the Flag.
2. A daily lesson in language is a most important part of the Elementary School curriculum.
3. Recesses are meant for games and fun.
4. Cookies baked by the CSDR Food Service Department are a daily treat.
5. Learning how to read the thermometer is an interesting and useful lesson in elementary science.
6. Individual work, as well as group work, is part of the Elementary School program.
7. The Elementary School day ends with the giving out of homework assignments to be completed and returned the following day.

# Junior Palms

This year we have twelve boys and girls in the Junior High School who are new to CSDR. Below are some of their biographies and autobiographies so we can get to know them better.

Class F in Junior High School has two new boys.

## **James Russell**

James Russell is new in Class F. He is 14 years old. He lives in San Bernardino. He has one brother.

He went to school in Rialto last year.

He has three cats, Sally, Tom, and William.

## **Lance Giles**

Lance Giles is 14 years old. He lives in Poway. He has two sisters and one brother. He went to Parkway Junior High School last year. His hobbies are playing Cribbage, nine spot dominoes, and working on models.

Class G in Junior High School has two new boys.

## **Jeff Fraser**

Jeff Fraser is 13 years old. He lives in Riverside. He has two sisters and one brother. He has attended the Pachappa School and Mission Junior High. Mr. Don Belding was his teacher last year.

Jeff has two dogs. His hobbies are making models and woodwork.

## **Nicky Marshall**

Nicky Marshall is 13 years old. His home is in Bakersfield. He has one brother and one sister. His brother is deaf.

Nicky went to Lerdo Junior High School in Bakersfield last year.

Nicky has two dogs, a rabbit and two birds. His favorite sport is football.

## **Lisa Howard**

My name is Lisa Howard. I am 12 years old. I live in Santa Barbara with my mother. I went to Foothill School in Santa Barbara last year.

I have a cat and four kittens. All the kittens sleep with me. I love the kittens very much.

I like roller skating with my friends.

Lisa Howard  
Class B

## **Scott Williams**

Scott Williams is a new boy in Class J. He is 12 years old and his birthday is June 13. He lives in San Diego. He went to the Hawthorne Elementary School for four years.

Scott has two sisters. His sisters' names are Shelly who is 10 years old, and Colette who is eight years old. Scott lives with his grandmother and grandfather. His mother lives in Oklahoma and his father and two sisters live in Italy.

He has a dog named Shadow. His favorite sport is soccer and his favorite food is Hawaiian ham. His favorite hobby is making electric models.

Richard Naperala  
Class J

## **Chuck Hornikel**

Chuck Hornikel is a new boy in Class L. He is 14 years old. He went to the New Jersey School for the Deaf at Trenton before coming to CSDR.

Chuck lives in South Pasadena. He has three brothers. Their names are Jack, Harry, and Donald. He has three German shepherd dogs. His favorite food is a hot dog. His favorite sport is soccer.

Jim Queen  
Class L

## **William Jeffrey Barrett**

My name is William Jeffrey Barrett. I was 14 on the 17th of September. I was born in Los Angeles, but I live in Vista now. I have one sister. Last year I went to school in Carlsbad. Now I am in Junior High School, Class E

I like it, here, but I don't like P.E. at all. I have hated sports all my life, and I have no hobbies. I like to read, though.

## **Antonia Torres**

My name is Antonia. My mother and father are deaf. I was born in Mexico.

My family lives in Santa Barbara. Before I came here, I went to school at Foothill School.

I have two brothers and one sister. My brothers' names are Victor and Tino. My sister's name is Mary.

Antonia Torres  
Class K

## **Ricky Alvarez**

I was born in Camp Pendleton on December 1, 1961. I have three sisters and three brothers. I live in Tustin. Before I came here I went to Davis School in Costa Mesa.

### **Dianne McLymont**

Dianne McLymont is a new girl in class M. She is 14 and was born on Jan. 30, 1960. Before she came to CSDR, she went to McKinley School.

She lives in Pasadena. She has three sisters, Karen 11, Melanie 7, and Patricia 20. Her grandmother's name is Lucille.

She has one cat and one dog for pets.  
Class M

My name is Alan Haney. I am 14 years old. My birthday is Jan. 19.

I was born in Michigan and when I was 9 years old, I moved to California. When I was 9 years old, I learned to ride a motorcycle. I like to ride a motorcycle in the dirt and I would like to go on a big trip around the U.S. I have a Yamaha motorcycle. My mother is working in the Harley-Davidson motorcycle store. She is the boss.

I like to go camping. Camping is a lot more fun than school. In two more years I will learn how to drive a little jeep.

I like Math. I love hamburgers better than other kinds of food.

Alan Haney  
Class L

### **A Future Teacher**

Yesterday a future teacher came to visit Class L. Her name is Barbara Blomgren. She was born in Indiana. Her birthday is June 19.

She has three brothers but does not have any sisters. She has one dog.

Her favorite food is Mexican food. Her favorite sport is horseback riding.

Raymond Coe  
Class L

### **A Visitor**

Dan Castle is a future teacher. One day Dan came to visit Class L. He goes to college at a place called CSUN in Northridge.

Dan's birthday is March 7. He was born in Long Beach. He does not have any pets. His favorite food is steak. His favorite sports are basketball and ping pong.

Dan's father and mother are deaf.  
James Queen  
Class L.

### **Library Time**

One night I went to the library which is about one mile from my home. I rode my bike to the library. I borrowed one book and three magazines. The book was a funny book.

Then I rode back home. I loaned the book to my sisters. They read the book and laughed so hard that they cried. I didn't laugh because I didn't understand most of the jokes.

Carolyn Dubler  
Class I

### **Camping**

The last week of August David Tucker came to my house and my sister's friend came to my house, too. Then my family, friends, and I went to South Carlsbad State Park. We camped near the beach. We slept in our camper. Five deaf families were there, too.

Next day we ate a good breakfast. Then David and I went to the beach to fly my giant kite. After we finished flying my kite, we rode our bikes along the road. We all stayed for one week. We all had fun and were sunburned.

Ethan Bernstein  
Class I

### **Coincidence**

My sister had a baby. It is a girl. Her name is Michelle Suzanne Lemus. She was born on July 25. My other brother-in-law and Michelle have the same birthday. They are happy about it.

June McMahon  
Class I

### **Camping**

On August 25th, Ethan invited me to go camping on the beach at South Carlsbad for one week. My family brought me to Ethan's house. We left early.

We arrived at camp and there were friends of Ethan's parents. Ethan and I went to the beach everyday at noon. One day we raced on our bikes to the end of the street and around the cul de sac. I fell right on the road. Ethan's bike ran over my right arm. I was hurt very badly. Soon we went home. I had a good time.

## NEW STUDENTS

To the new students in High School, we welcome you to our department and to CSDR, and we wish you a happy year. We are proud of our school and hope you will be too.

Ricky Garrett is 14 years old. He lives in Bakersfield, and he went to school in Bakersfield last year.

Philip Hawkins who is fifteen years old lives in Sepulveda. He went to Marlton School before coming to our school.

Rhonda Howze was born in Bakersfield on June 23, 1960, and she still lives there. She has two stepbrothers. Rhonda likes sports but her favorite activity is rooting for CSDR. She loves to read during her spare time.

Fifteen-year old Vivian Medina lives in Bakersfield. She was enrolled in a school in her town last year.

Vickie Reeves is sixteen years old. She lives in Los Angeles. She formerly attended a school in Pasadena.

Kirsten Tomomatsu was born in Hollywood on November 17, 1958. She now lives in Van Nuys in the San Fernando Valley. She has an older sister and a younger brother who are hearing. Sometimes her sister talks to her in sign language, but Kirsten went to Mulholland Junior High, a public hearing school, near her home. She is in the sophomore class.

Andrew Viggiano who is fifteen years old lives in Covina. Last year he attended South Hills High School day classes in Covina. He is happy to be at CSDR. He thinks this is a very nice school.

Len Watkins, eighteen years old, lives in Cudahy. He has two hearing brothers, a hearing sister, and a deaf sister who is fifteen years old. Last year he attended school in Downey. He likes CSDR very much. He is happy at this school.

Gerald Wickham came from the Florida school for the Deaf in St. Augustine where he was for twelve years. The family moved to California, so he enrolled at CSDR. He was born on September 29, 1957 in Tampa, Florida. His hobby is surfing in which he has some skill. He also uses a skateboard which he thinks is a little like surfing.

Sixteen-year old Stan Wickham is the brother of Gerald, mentioned above. The family now lives in Santa Barbara which Stan likes very much. He is interested in all sports.

## An Awful Experience

In June my family took a motor trip to Texas. I'll never forget that trip. What happened was all my fault!

I drove from Riverside to Indio. My sister wanted some soda so I drove off the highway to park. I turned off the ignition. We had used the air conditioner, so the car was running hot. Dad was really a little bit cross with me because I had turned off the ignition, and then the car wouldn't start again. My family was getting frustrated. There we sat on a hot desert highway and it really was very hot!

After a while the highway patrol came by and tried to help us. He used jumper cables, but the car wouldn't start. We stayed there for one hour. The highway patrol called for a tow truck. A man came and fixed our car. At last it started. We were elated.

We then drove on. I got some good experience in driving, but I was exhausted. Who said driving is fun!

## A Mean Dog

A man who was moving to another country gave my brother a dog. It was part collie and part German shepherd. One day I was helping my brother with a waterbed frame. I was putting in some screws. My brother opened the garage door and let the dog out. He walked over to where I was working. He smelled me and bit me on my left thigh. My brother cleaned the wound and put medicine on it.

Two weeks later on July 27 my little brother and I were playing around but we were not fighting; however, the dog thought we were fighting. He ran to me and bit my right heel. I went to the hospital. The bite on my heel was worse than the one on my thigh, and I had five stitches. Now I watch that dog. I am afraid of him because he is a mean dog.

### Albacore Fishing

Two weeks ago I went to Morro Bay to go fishing for albacore with three of my friends. It took about four hours to drive up there at night from Buena Park. We paid 25 dollars for our tickets on a charter boat which departed at 2:00 in the morning. We sailed about 50 miles, and it took five long hours.

Finally the captain of the El Dorado found a school of albacore. One of my friends caught the first fish and the other people on the boat went wild. I caught only one and I fought it for about 20 minutes. It really thrilled me, as it was a new experience. My albacore weighed about 24 pounds.

I got seasick for a while. The El Dorado arrived back at Morro Bay at 8:00 p.m., and we arrived home about 4:00 a.m. The next day I ate albacore steak, and it was delicious!

### Taking a Water Safety Instruction Course

On July 1st I started a Water Safety Instructor course. I was clumsy and quiet in class at first. The teacher gave me a "C" grade the first day. I asked him, "Why did I get a 'C'?" He said that I needed to study more and not panic with beginner swimmers.

A few days later I improved my grades and later taught some adults to swim. I studied more and more, and I found reasons for the rules.

I passed my final test and received my Water Safety Instructor certificate on August 7th. I am the only deaf person in Los Angeles County with a W.S.I. certificate. I took this course because:

1. I wanted to show hearing people that deaf people can do it.
2. The deaf people need instructors to teach them how to swim.
3. Sometimes the counselors don't want to go to the swimming pool to watch kids and I do.
4. I may help deaf people get Senior Lifesaving or W.S.I. certificates easier than a hearing person may.

Senior Lifesaving and W.S.I. certificates are not easy to get. I now teach some of the younger children at our school. I really thank my W.S.I. teacher and Dr. Brill, Mr. Davidson, and Mr. Kund for giving me this chance.

Leslie Greer

### Mountain Man

My best friend's name is Caterpillar. He is an Indian. He is 49 years old. He is kind to my family, and they like him.

Caterpillar told me about his manner of living. He went to school in Canada until the 5th grade. When his father died, he moved to Idyllwild and has lived there for 20 years.

He invited me to stay with him for five weeks. I learned to eat what nature provided. We ate different kinds of nuts, wild blackberries, lettuce, rabbits, rattlesnake, deer meat, and acorn pancakes. We drank water and Cheroot tea.

Caterpillar gave me an Indian name. He called me "Wolf Eye". I am so very interested in him.

After I graduate from school, I want to live with the mountain man for many years. I would like to join an Indian tribe and live like a true Indian. In my mind and my heart, I believe the manner of life of the mountain man is good for me.

Dean Maiden

### Summer School

Chela and I went to summer school for six weeks in San Jacinto. We went to learn how to communicate better in English and Spanish. My sister and I were really happy to learn more English. My father and my mother are also learning to speak English. I am proud of them.

Carmella Quinteros

### Huntington Art Gallery

My mother, two friends, and I went to the Huntington Art Gallery at San Marino, California. We saw some famous paintings. A guard protected the paintings.

We saw "The Blue Boy" by Gainsborough. It is worth more than a million dollars. It was painted about two hundred years ago. It shows a young boy, perhaps a teenager, dressed in blue and wearing a hat.

"Pinky" is a painting of a young girl. It was painted by Thomas Lawrence, also about two hundred years ago. "Pinky" was about 12 years old when the artist painted her portrait. She died soon after the painting was completed. Seeing these famous paintings was very interesting.

## Leisure Time Events

### Pack 18

After several months without Scouts, the Pachappa I boys are looking forward to attending meetings and participating in activities again. As our first major activity we had a cook-out, after which we joined the Cub Scouts from Pachappa II for a roller skating party. We would like to welcome a new member to Pack 18. His name is Michael Epperson and he is nine years old. Michael comes to us from Bakersfield; this is his first year at CSDR. He says he likes to do all kinds of outdoor things and is really looking forward to all the activities Pack 18 has planned.

### Boy Scout Troop 218

The Scouts of Troop 218 are anxiously awaiting the first camping trip on November 1 through 3. We will be going to the California Inland Empire Boy Scout Jamboree to be held at the Riverside International Raceway. Approximately 5,000 Scouts are expected to participate in the various contests and exhibits. It is hoped that under the leadership of Senior Patrol Leader Barry Katz, Assistant Senior Patrol Leader Darryl Crosby, and Patrol Leaders Jeffrey Emmer, Terrence Hall and Kenneth Tucker, Troop 218 will make a worthy contribution to the Jamboree.

### Troop 18

Troop 18 selected their troop leaders for this school year. Senior Patrol Leaders are Mark Maiden and Paul Maucere. Patrol leaders are Ray Talmage, Tony Price, David Tucker and Ramy Bustamante. Quartermasters are Philip Gomez and Kevin Pearson. Troop 18 is off to a good start this year. They are continuing their old newspaper drive and are now selling popcorn to earn money for their troop.

### Explorer Post 18

There is much excitement in Post 18 as we begin a new school year. During the October 4th weekend the Explorers enjoyed a backpacking trip at Alger Creek and Plummer's Meadow in the San Bernardino mountains.

This year a new phase of Exploring will be started. Bi-weekly meetings will be devoted to a guest lecturer who will speak on his or her profession. The "Career Program" will be coordinated in conjunction

with the California Inland Empire Boy Scout Council which will arrange for the different speakers to come to CSDR and meet with the Explorers.

### Pack 88

Pack 88 started its third year in Pachappa II with an enthusiastic membership of nineteen boys.

Theodore Menard, John Poncik, Christopher Reynolds, Patrick Schultz, Curtis Wyatt, Gary Render, Larry Williams, Charles Barham, Kenneth Cordell and Larry DeVenny are all new to the Pack this year.

Everyone will be working hard to get their Bobcat pins, and they are looking forward to the many activities and outings planned for the year.

### Brownie Troop 201

The Brownies of Troop 201 enthusiastically welcomed new girls and talked over plans for the coming year at their first meeting. Girls new to Scouting will join the troop after attending four meetings and learning the Brownie Promise.

This first meeting was a combination of both a party and an awards program. Cecelia Arauza, Teri Bumgardner, Toni Bravo, Kim Causey, Misty Loeffler, Sherrie Masters, Roberta Parker, Sherri Roberts, Lisa Stinsen and Sandra Valenzuela received their Brownie Stars, symbols of one year of Scouting.

### Junior Troop 335

Junior Troop 335 welcomes April Agnew, Lynn Dunne, Elizabeth Jurado, Sherri Long, Stacey Musgrove, Martha Robles, Karen Shely, Cindie Steeber, Lisa Thompson, and Regina Young. They are all Brownies that have flown-up from Troop 201.

At the last Court of Awards, the following girls received special awards; Joyce Cook was awarded a plaque for most enthusiastic Girl Scout, Shelly Freed received a plaque for Girl Scout of the year. Carolyn Gomez received a gift for being the most helpful Girl Scout. Kim Reed received a gift for being most congenial Girl Scout. Girls receiving special cookie patches were Debbie Martinez, Shelly Freed and Brenda Murray.

## Volleyball

Many new faces were among the 40 girls trying out for the Varsity and Junior Varsity Volleyball Teams recently. With the loss of the core of last year's team due to graduation, Coach Aletha Emerick will use much of the season attempting to rebuild the CSDR dynasty in order to continue the winning ways to which our volleyball teams have become accustomed. Jill Taniguchi and Donna Condit are the lone returnees from a squad that lost but once last year. Moving up from the Junior Varsity to help out are: co-captain Maureen Mazza, Cathy Bartlett, Jeanette Epstein and Beth Gilham. Girls that did not play last year but showed enough ability to be selected for the Varsity Squad include Bettie Cullen and Helen Beckstead.

In spite of the loss of so many key members of last year's powerhouse, the Cubettes should be one of the favorites in the Girls' Extramural Sports Programs' newly aligned league. Teams which now comprise this league include Notre Dame, La Sierra, Sherman, Notre Vista and Arlington High Schools.

The Junior Varsity contingent (with only three returnees), coached by Vernice Peters looks very capable of holding its own this season. Co-captains Cheryl Millwee and Paulette Sottak will lead an energetic group which includes Lori and Mary Droutsas, Lori Fisher, Deri Lyn Gough, Ann Kassell, Vida Longoria, Martha Lopez Cynthia Sadoski, Kathy Watters and Katie McHugh. The scorekeeping is in the able hands of Leslie Greer and the teams are managed by Sandra Martin and Chela Quinteros.

In the first encounters of the season the JV easily defeated both Notre Dame and La Sierra by scores of 15-10, 15-2, 15-8, and 15-7, respectively. The varsity squad had some difficulties with Notre Dame but managed to overcome them and win 15-12, 14-16 and 15-12. Against La Sierra, the varsity chalked up a convincing 15-5, 15-11 victory.

The highlight of the season promises to be the encounter with the Arizona School for the Deaf to be played their in February.

## Frosh/Soph Football Team

The re-organization of the Junior Varsity Football Team now known as the Freshman/Sophomore Team, provides an excellent opportunity for the freshmen and sophomore boys to pick up the basic points of football and to develop many football skills through actual game experience. The young Cubs, with head coach Seymour Bernstein at the helm and Ike Pakula, Ron Stern and David Fontana as the assistants, hope to attain the vital knowledge and experience necessary to enable them to become more accomplished players.

The coaches are instructing their players in all the basic fundamentals in the expectation of these first-time players developing into veteran gridders ready for varsity competition in the years to come.

At this writing, a rather formidable team has been organized and it looks something like this: Danny Everage, Fred Herrera, Norman Hixson, Paco Romo, Stan Wickham, Skipper Lawrence and Ricky Lopez in the backfield; Don Lee Hanaumi and Phillip Hawkins in the quarterback spot. The linemen consist of John Miranda, Charles Putvin, Guy Gomez, Dana Borgatti, Pepe Hernandez, Jan Simpson, Mike Schwan, Mike Lutz, Robert West, Ruben Loera and Jeff Calhoun. The ends will be manned by John Crouch, Norman Long, Carl Chavez, Rex Nelson, Alan Donaldson and Mickey Olquin. The other players who are vying for a starting role include Alberto Esquivel, Mike Peterson, Charles Anderson and Robert Loftin.

In Frosh/Soph games to date, the youngsters have shown a great desire to improve and have done so steadily. In the season opener the young Cubs were blitzed 36-0 by a more experienced Perris team. However, in the following game, Aquinas found CSDR to be somewhat tougher, defeating them by a narrow 16-8 margin on a desperation 4th quarter T.D. pass. The young Cubs "found" themselves in the next contest as they showed their worth by destroying Lutheran High School of Orange 30-0.

## Varsity Football

Football is considered by many to be the most popular sport in America, and it certainly applies with the CSDR Cub fans and players alike. The expectation to improve on the win-loss record this year is rather high. The anticipation of playing football is high and there is tremendous eagerness among the 31 candidates for starting berths. This year's team should provide us with an interesting gridiron season with numerous veterans coming back to offer leadership at key positions in the lineup. The team shows great possibilities.

Head coach Pete Lanzi and his able assistants, Bill Peters and Seymour Bernstein are plotting a few innovations as well as drilling on basic fundamentals to help garner a successful campaign. With two new schools in the ever tough Arrowhead League and a season-ending "Big Game" with CSD at Berkeley, the Cubs are facing nine tough schools along the 1974 football trail.

The Cubs realize they must labor long and hard with the four "D's" — dedication, desire, determination and defense — in order to produce the success they seek. The coaches have been driving them into shape to ready them for the rugged combat ahead with the hope that all the players will continue to improve and win more than a few games.

Kevin Struxness and Mike Farnady, All-American candidates, head the return-

ing lettermen. The lettermen are Ken Roberts, Danny Tsujimoto, Morgan Drout-sas, Robby Woodard, David Gomez, John Roberts, Dean Maiden, Barry Hodge, Harry Whitney, and Pat McGuire. Players that should help fill in at other positions are LaDarrell Jones, Robert Burnett, Ron Shely, Wing Lai, Phillip Weishar, Scott Andersen, Juan Morales, Larry Adams, Matt Brandfield, Russell Mohr, Eddie Frazier, Mark Aguirre, Darryl Quan, John Du-Quin, David Smith, Gilbert Avila and Paul Delgrollice.

The second "Big Game" with the California School for the Deaf, Berkeley will be played on November 16th in Berkeley. The prospect of flying to the Northern part of California is a real thrill for staff members and team alike. This game acts as an incentive to maintain a high calibre of football throughout the season.

In the first two games of the season the Cub gridders have been a very tough team in the first half but have been worn down in the later stages of the games due to a lack of depth. The Cubs were just 6 points back before losing to Ontario Christian 19-0. In the Aquinas game, CSDR led by 2 at half-time only to lose 20-8 in the final quarter.

The Cubs turned it all around in the following game as they put it all together to soundly crush Lutheran High of Orange, 56 to 12.

## Sierra I

The boys in Sierra I returned to school with smiles, handshakes, and many summer experiences to share. This year Sierra I is a combination of boys who were in Sierra I or Sierra II last year. They are the older boys of our unit, and they are all approaching new horizons.

Sierra I boys have shown enthusiasm for their dorm this year in many small ways. It may be an extra neat room shared with an old friend, or it may be encouragement offered to a dorm-mate trying out for the CSDR football team. Three of our small group, Gilbert Avila, Alberto Esquivel, and Robert Loftin have made the team. Others such as Luis Ulloa are enjoying intramural football activities. Thomas Acevedo, all in good fun of course, has shown that he has not forgotten those wrestling holds he learned last year with the wrestling team. Wharton Delano has the green thumb in our dormitory. He may be seen planning and working on the beautification of DMHU.

We are happy to open our doors to two new boys this year at CSDR. Bill Hodges comes to us from Lancaster, and he has many yarns to spin during the slower moments. Bill has been quite enthusiastic since his arrival. We also welcome Carlton Whipple who has just arrived. When not busy elsewhere, Sierra I boys are frequently observed in one of our now traditional unit soccer games.

## Sierra II

Sierra II welcomes Phillip Winney, Pat Huddleston and Danny Peterson, all new students to unit II. The year's activities have started with a trip to the Pomona fair and Lytle Creek. We also have many boys playing intramural football. Dormitory life has become more interesting with the addition of a pet boa and several pet rats. The students in Sierra II have put much effort into constructing cages for their new pets.

Donald Parker, Robert Hill, Tracy Savage and Clifford Burville will be the first students to be found peering behind cameras and making use of Sierra II's

darkroom this year. All the boys are very excited about the forthcoming trip and tour of March Air Force Base and we hope to have some good photos to bring back.

## Sierra III

The students in Sierra III have been busy with several dormitory projects; making masks, setting up aquariums and wood burning. We have enjoyed off campus trips to Lytle Creek and the L.A. County Fair. Ronnie Brown, David Blair and Victor Hammond really enjoyed the fair, particularly the rides and the livestock shows.

We want to welcome our new student, Sergio Castro who comes to us from San Diego.

Mitch Darling has been in several bike races which resulted in mud spills and cuts and bruises. Mitch has taken second and third place, but will come in first next time, we're sure.

## Sierra IV

Sierra IV was full of happy faces returning from their summer vacations. Three girls, Lynn Farthing, Cynthia Morrison, and Karen Cross transferred to our dormitory from Whitney IV. Another new face belongs to Tania Gottfried of Los Angeles.

On September 26th the girls did a lot of sightseeing at the Los Angeles County Fair in Pomona. They really enjoyed the Mexico section with the dancing and very colorful costumes. Some of the girls bought a few Mexican souvenirs. The girls also enjoyed the chance of being off campus for dinner.

## Pachappa I

Pachappa I boys participated in a variety of activities this past summer.

John Balser moved to Vista, Calif. He also managed to squeeze in a few trips to the ocean, a trip to the San Diego Zoo, and as a grand finale, was able to attend his first rodeo.

Dean DeVenny and his family went on a trip to Yosemite National Park. He said he especially enjoyed the sight seeing and the swimming.

John Harter visited with his grandparents for a week where he was able to go swimming every day. When he was at home he enjoyed playing softball and attending Scout meetings.

James Almeraz spent most of his time on the water. Driving his family's boat and going deep sea fishing were the highlights of his vacation.

Timmy Price was our most traveled boy at Pachappa I this summer. He and his family took a long trip during which they traveled through Ohio, Tennessee, and New Orleans.

All in all, a great time was had by all the boys of Pachappa I.

## Pachappa II

The boys of Pachappa II started the year out with tales of what they did last summer.

Devin Barnes was busy vacationing at Lake Tahoe, visiting with his grandparents, and attending day school in San Clemente.

Joey Snodgrass and Gary Render had a delightful time with their baby sisters..

Timothy Sexton filled his summer going to the movies, the beach, collecting shells, and visiting Universal Studios.

Anthony Moone spent a week with his grandparents, rode on go-carts and motorcycles, and went to the desert.

John Poncik went to the state of Washington and saw the Space Needle, then he went sightseeing in Canada.

We have several new boys in the residence hall this year and they are all very handsome: Milton Hunt (Los Angeles), Bradley Johnson (National City), Theodore Menard (Huntington Beach), Vincent Miera (Ridgecrest), John Poncick (Alpine), Christopher Reynolds (Ventura), Patrick Schultz (Upland), David Terrell (Chula Vista), Norman Weiss (Los Angeles), Larry Williams (Long Beach), and Curtis Wyatt (Arcadia).

Our young men enjoy their weekly swims at the CSDR pool. Of equal pleasure are the movies, notably "Cinderella" and "Snow White." And of course, the ever popular monthly birthday parties are still held. Our birthday boys this time are Anthony Moone and Patrick Schultz.

## Rubidoux I

All the boys in Rubidoux I had a fun-filled summer and are eagerly anticipating a good school year. We are very happy to have Edward Broeker, Brian Geter, Scott Godsey, Timothy Gonzales, Michael Petek, Scott Stonebreaker, Mario Urrutia, and Jeffrey Howard transfer from Pachappa I. Rubidoux I extends a special welcome to the boys who are new to our school: Nicky Marshall from Bakersfield, Lance Giles from Escondido, Scott Williams from San Diego, and Charles Hornikel from El Monte.

Many of the Rubidoux I boys are already involved in the special interest groups. Bicycling is a newly formed group with Scott Tiemstra, Charles Cordy, and Alban Branton participating.

Our only birthday boy for September was Jeffrey Howard who celebrated at Farrell's Ice Cream Parlor.

## Rubidoux II

Rubidoux II girls returned to school from summer vacation rested and full of stories about their summer experiences. Cecelia Arauza visited the Wax Museum, Yosemite National Park and Knott's Berry Farm. Toni Bravo had fun at Disneyland and Magic Mountain and enjoyed a week-long stay at the home of a friend where she swam everyday. Connie Merritt spent a lot of time at the beach and learned to do arts and crafts at a recreation center near her home. Sherri Roberts travelled all the way to the Eastern United States to visit her aunt and uncle. She toured Cape Kennedy and St. Augustine, Florida and spent a day driving around Washington, D.C.

Happy birthday to Toni Bravo, Kim Causey, Sherrie Masters and Sherri Roberts who were all born in September. Toni, Kim and Sherrie are now eight and Sherri is nine.

Rubidoux II happily welcomes eight new girls to CSDR. We hope Samantha Asbridge, Sonia Chadwick, Anna Gonzales, Shawna Ivy, Deanne Lehart, Alice and Anna Rodriguez and Yvonne Reed enjoy living in Rubidoux II.

### **Rubidoux III**

Rubidoux III would like to extend a warm welcome to CSDR's new staff and students.

With summer vacation behind them many of our girls reminisce with their families and friends about the wonders and thrills of Disneyland, Knotts Berry Farm, Magic Mountain, Japanese Village, and Sea World. Sheri Long certainly had a vacation to remember in Omaha, Nebraska, where she visited her father.

Julie and April Agnew shared summer fun by attending YMCA Deaf Camp.

Stacey Musgrove and her family flew to Las Vegas, Nevada where they enjoyed sightseeing and visiting with relatives and friends.

It is anticipated that the girls in Rubidoux III will have many pleasant experiences this year.

### **Lassen I**

Lassen I welcomed two new members to CSDR this September — Phillip Hawkins from Sepulveda and Ricky Garrett from Bakersfield. Each had an enjoyable summer vacation. Phillip attended a camp for the deaf in the High Sierras and Ricky went camping at the beach with his family.

A new special interest group has been added to the Area II program — a coeducational bicycle club with Shasta IV. Eager members from Lassen I include Steven Kugler, Timmy LeMaster, Oscar Sanchez, and David Reese. Many trips are planned to interesting places in Riverside — a bicycle shop, the Mission Inn and Riverside City College.

Boys who enjoyed September birthdays were Michael Peterson, David Reese, Jan Simpson, and Robert West.

### **Lassen II**

Lassen II welcomes three new boys to our residence hall. They are Ricardo Alvarez, Jeffrey Barrett, and Alan Haney. Ricardo likes to go fishing. Jeffrey enjoys swimming and hiking. Alan's favorite activities are camping and baseball.

This summer Mitchell Roberts had an exciting trip when he visited his grandparents in Florida. While there he drove through the Everglades, and toured Cape Kennedy. He also visited St. Augustine and spent one Saturday in Washington D.C.

This year we have a new special interest group, bike riding. Three Lassen II boys, Alan Haney, Michael Higgins, and Tom

Woodson have brought their bikes to ride on group outings around Riverside.

### **Shasta I**

Shasta I girls spent their vacation in a variety of ways.

Cheryl Millwee's sister Pam married Artie Eyrich in August and Cheryl enjoyed helping her sister plan the wedding. Cheryl was maid-of-honor and spent several days of her vacation making a beautiful yellow and green bridesmaid's dress.

Susan Boudreau, her mother, and friends from San Diego went to the Laguna Beach Art Festival. There they saw "Living Pictures" or pictures using live models. They also visited Farmers' Market and sampled foods from various countries.

Leslie Greer flew to Indiana to visit friends. They then drove to Ohio to watch a deaf baseball tournament.

### **Shasta II**

The girls in Shasta II welcome Kirsten Tomomatsu, who is 15 years old. She is from Van Nuys. Another new person in our residence hall is Victoria Reeves. She is from Pasadena.

Several girls went camping at Big Bear during their summer vacation. Among them were Laurene Griggs, Diane Herrema, and Sandra Thrapp. Sandra's luck ran out when she broke her ankle and had to be in a cast for six weeks.

Deri Lyn Gough flew to Texas to visit her relatives and really had a good time.

Mary Miller had loads of fun at the World's Fair in Spokane, Washington. She liked the games and booths best.

Vida Longoria and her family visited the Missouri School for the Deaf. She met many old friends. She also went to seven other states.

Jo Ridley enjoyed the workshop for the deaf at Brigham Young University. She said she really learned a lot.

Anne Yamaguchi enjoyed her trip to Griffith Park Observatory. She saw an interesting set of pictures that were shown on the ceiling. The pictures were about the history of astronomy.

### **Shasta III**

Rhonda Howze, Vivian Medina, Cynthia Sadoski are three new girls to Shasta III this year. Rhonda and Vivian both live in Bakerfield and knew each other before coming to CSDR. Cynthia is very active in sports and is the only freshman girl on the volleyball team. Susan Parks, day student,

is a substitute for the cheerleaders. Christa Eichberger moved from Sierra IV to join us in Shasta III this year. She really enjoys high school activities. Rosalind Jenkins and Jeanne West moved from Rubidoux III, skipping Shasta IV. Welcome to Shasta III, to all the girls!

Some of our girls enjoy playing volleyball and take every opportunity to have a short game.

### Shasta IV

All the girls in Shasta IV are ready for another school year after having busy summers. Cathy Schenewerk went on a trip to Lompoc, California and ran into an old friend she hadn't seen in a long time. Theo Amey went to Pinola, Oakland, and San Francisco and had a really good time. Marianne Owens went to Magic Mountain. Dixie Hull went to Azalea Trails Girl Scout Camp. Carolyn Dubler went to summer school and met many new friends. Speaking of new friends we have four new girls in Shasta IV. They are Shelly Hefferson, Diane Diane McLymont, Lisa Howard and Antonia Torres. We are very happy to welcome them to Shasta IV.

We have celebrated two birthdays since school started. Cindy Hunter had her 13th birthday and Norma Rosas turned 14. A very happy birthday, girls!

Shasta IV. We're looking forward to a busy

A warm welcome back to all the girls in and exciting school year.

### Palomar I

All of the boys in Palomar I had a very enjoyable summer vacation, but they are glad to be back at CSDR.

Michael Farnady had the interesting experience of playing baseball with a hearing team in the Thorobred League at West Garden Grove. He impressed them with the skills he had learned from being on the CSDR team.

Marty Miller and Patrick Young visited the Wild, Wild Animals at San Diego. It was very interesting to watch the antics of the many kinds of animals. They had a good time and felt that had learned something new.

Ronald Blaney and his family boarded a 747 Jet and flew to Maine to visit relatives there. He stayed at Old Orchard Beach and enjoyed two and a half weeks of exploring other cities in Maine. He then flew to Washington, D. C. for a short visit with friends at Gallaudet College.

### Palomar II

Three of the boys in Palomar II are attending CSDR for the first time. Leonard Watkins, a junior, attended Selaco last year. His hobby is collecting stamps. Gerald and Stan Wickham transferred to CSDR from the Florida School for the Deaf and Blind. Gerald, a sophomore, is a surfing enthusiast. Stan, a freshman, enjoys all sports and is an avid coin collector. Palomar II students and staff welcome them.

Scott Anderson, Ronald Eddie, Geron Hann, Ruben Loera, Harry Whitey, and Doanld Ybarra enjoyed a special trip to the Los Angeles County Fair in Pomona. They went with students from the other residence halls and had a wonderful evening.

Congratulations to our new student Council offices. President, Kevin Struxness; Vice President, John Carpenter; Secretary, Randy Dyer; Treasurer, Paul Delgrollice; Sgt.-at-Arms, Scott Anderson. We are looking forward to a good year.

### Palomar III

Palomar III welcomed twenty-one boys from Lassen I this year, five of whom were freshmen. Dwain Loftin decided to come and live with us. Welcome Dwain. We also have a new student, Andrew Viggiano, who is from Covina. Welcome Andrew. Mark Myers and Donald Langdon are our new day students. Elections were held for Student Council members with the following results:

John Miranda .....	President
Don Lee Hanaumi .....	Vice President
Steven Triolo .....	Secretary
Sylvester Crowe .....	Sergeant at Arms

Activities are being planned for this coming year. We will again have chess, ping pong, and intramural volley ball. Tennis will also be offered. Lots of enthusiasm has already been shown for this new sport. Photography classes will be held for those who are interested in that hobby. The students are already looking forward to monthly grinder, pizza, or hamburger parties.

Many of our students went to summer school, among those were Allen Sprott and Dana Borgatti. Michael Snabley spent a few weeks in Ohio visiting relatives. He drove back with his family and renewed family ties with grandparents, aunts, uncles, and cousins.

## SENIOR PALMS

(Continued from Page 19)

### NAD Convention

I represented the National Junior Association for the Deaf at the National Association for the Deaf Biennial Convention in Seattle, Washington, from June 30 to July 6. The convention was held at the Olympic Hotel. There were highspirited participants including delegates, officers, and observers. I attended many business meetings which were interesting.

I went on a boat trip to Victoria, British Columbia, across Puget Sound. The trip was enjoyable.

I went to many dinners and parties. I met many interesting people. I was glad to attend and I had a wonderful time.

President, Jr. N.A.D.

Katie McHugh

### A Day of Sailing

One day I went to visit my dad who lives in San Diego. I stayed there for two weeks. Dad has a boat there and a friend of his has a sailboat. It is quite huge.

Monday when my dad went to work, I went with Jim, my father's friend, who has his name on his terrific sailboat. Out on the ocean we started to put the sails on. That's the part I really hated, because, I had to stand on the bow, and on top of the cabin.

We had a good wind. It reached about 10 knots and gave us lots of thrills. I really loved it. It was terrific! On our way back to the harbor at Shelter Island the wind dropped to about 2 knots which made the boat bob up and down and that disgusted us greatly! But we had fun!

Steve Triolo

### Celebrating My Birthday

One evening I went to a fancy restaurant named "The Hungry Tiger" with my parents and my best friend Allison.

We sat together and talked.

First we had our salad and some French bread. Then we had our dinner. Mother, Father, and I had Alaskan crab legs and Allison, a New York steak.

When we finished, a waiter brought a tiny square cake to me because it was my birthday!

After dinner we played the pinball machines at a nearby bowling alley. After we reached home, I opened my birthday presents—a pair of winter slippers and an electric watch.

## Fishing at Kings River

One day I was at Kings River. I brought along my fishing pole. I decided to walk into the river in my short pants and sandals. The water was cold, but I kept on moving to the middle of the river. Then I started to fish. I felt the upper part of my body become warm because of the sun's reflection on the water, but my legs were cold and numb. I caught two trout but I lost more. When I caught the trout, I had to bring them to the shore because I did not have a net with me to catch them.

Later two people came to the river. I wanted the place to myself because I knew that my line would tangle with their lines. So I moved up the river. It was a good thing as I caught more trout. I got mad because I broke the line about three times because of rocks on the bottom of the river. Later on I found that my face was sunburned. I really enjoyed fishing at Kings River.

John Miranda

## Building Roofs

I had a job building roofs in Los Angeles this summer. My father and I drove a truck to different roofing jobs. One time we had to put new tar on the roof of a store. We even went to San Francisco two times to work on new house roofs.

Carl Stephenson

## LEISURE TIME EVENTS

(Continued from Page 20)

### Boy Scout Troop 118

At the first two meetings of Troop 118, the older boys have been concentrating on a short history of the American flag and the symbolism found therein.

The boys have chosen Donald Parker, Alberto Esquivel and Luis Ulloa as their patrol leaders for the year. These patrols are working hard preparing for their first camping trip to Camp Heise, located near Julian.

### Girl Scout Troop 129

Girl Scout Troop 129 consists of Tamy Neal, Jane Minner, Theresa Dickinson, and Cindy Morrison. The troop is working on learning the ten Girl Scout laws and promise.

November 15, 1974, the troop is planning a camping trip with Girl Scout Troop 335 to the Banning Scout House. All of the girls are excited about their camping trip of the year and are preparing for it.
